4 Grammar Review

Aims: To review and practise grammar from the unit. This can be completed when students have finished the unit.

- Students take it in turns to ask their partner what food there is at home and check the items on their shopping list.
- Ask students not to show their handout to their partner.
- With a **weaker class**, you might want to elicit and drill the questions that they need to ask.
- Set a time limit of six minutes.
- Ask fast finishers to cover the pictures and try to remember what is in their kitchens.
- At the end of the game check what each student needs to buy.
