## 5D Superlatives

**Aims:** To review and practise the superlative forms of regular and irregular adjectives.

**Time:** 10–15 minutes

**Materials:** 1 handout for each student

### Exercise 1

- Give each student a handout and ask them to work individually to complete the questions with the superlative forms of the adjectives in brackets.
- Check answers with the class.

#### KEY

- 1 the most popular
- 2 the oldest
- 3 the highest
- 4 the most famous
- 5 the best
- 6 the most beautiful
- 7 the busiest
- 8 the nicest
- 9 the worst
- 10 the most interesting

### Exercise 2

- Students work in pairs to ask and answer the questions in exercise 1. If you have access to the internet in class, you could ask students to try and find the answers they aren't sure about. If not, ask students to guess what they think is correct.
- Set a time limit of five minutes.
- Check answers by asking one student to read out a question and another to read out the answer. Ask students if they agree or disagree with each other's answers.

### Exercise 3

- Students work individually. Ask them to write complete sentences using the words to help them. It's a good idea to check their answers before they start speaking so they can correct any mistakes.
- Ask the students to work in different pairs to the ones they worked in for exercise 2. They talk about whether they agree or disagree with the sentences.
- Set a time limit of five minutes.
- Check answers with the class and share ideas. Ask them if they agree or disagree with each other's answers.

#### KEY

- 1 Paris is the most interesting city in the world.
